

AGD 2 Indicators - 2-1/4" Diameter Dial

The AGD 2 series of dial indicators are the most popular indicators in the Brown & Sharpe range. All models are supplied with a revolution counter, tolerance pointers, central lug back and ball contact tip as standard.

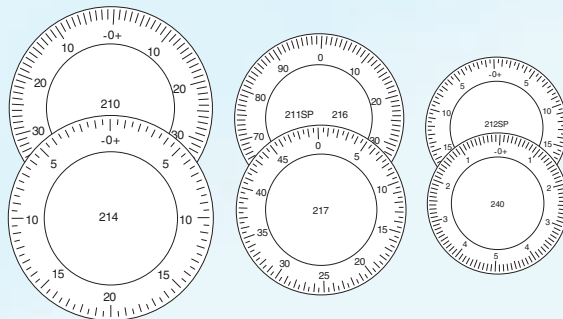

Alternative flat and slide backs are available as accessories.

		Series		Travel per rev.	Total Travel		Dial Color	Hand Color

†Counterclockwise dial for depth gages.

AGD 2 - SHOCKPROOF MODELS

The models MB211 and MW211 are supplied with a full shockproof mechanism, which is ideal where the indicators may be subjected to sudden impacts to the rack.
